

Agreement:

Would you like a product demonstration or practical training?

Date: _____ **Time:** _____ **Name:** _____

Address: _____

 Product Demonstration:

We will come to your workshop for a flat fee to demonstrate or introduce you to our SC24 system on-site. If you purchase one of our mobile spray chrome plating systems, we will partially offset the demonstration costs! The demo includes the consumables used during the demonstration. This is not a practical training session but a presentation of the technology with parts from Verchromen24, along with an explanation of the system and chemicals! The on-site demonstration lasts 3-4 hours.

Demo cost: €600.00 + possible mileage allowance

Alternatively, you can visit us by appointment (Fridays or Saturdays) at:
63920 Großheubach, Auweg 25 – Paint Metal - Verchromen 24, Jörg Hinkel

Cost: €400.00

 Training after purchase and delivery:

Cost: €600.00 + possible mileage allowance

Key Parameters and Settings of the SC24 System:

- Maintenance and cleaning of the SC24 system

Training Procedure:

- Preparing parts, priming, and drying (partially pre-prepared by the customer)
- Introduction to the mirroring unit and technology
- Practical application of the technique
- Training fee includes all consumables
- Drying of mirrored parts
- Color design on the mirrored parts
- Application of the final 2K clear coat
- Maintenance and cleaning of the system

Training duration: Approx. 6-8 hours

Payment Terms:

- **50% deposit** upon appointment confirmation via bank transfer: **ES6700496852692710028355**
- **50% balance** before the start, payable on-site in cash (plus any toll fees)
